

Raysglobal  
create the exceptional

## **ADVERTISING & DIGITAL MARKETING AGENCY**

*Rays Global is an advertising agency that creates brands and assists businesses to transform their goals into reality with client satisfaction and profitability.*

# About

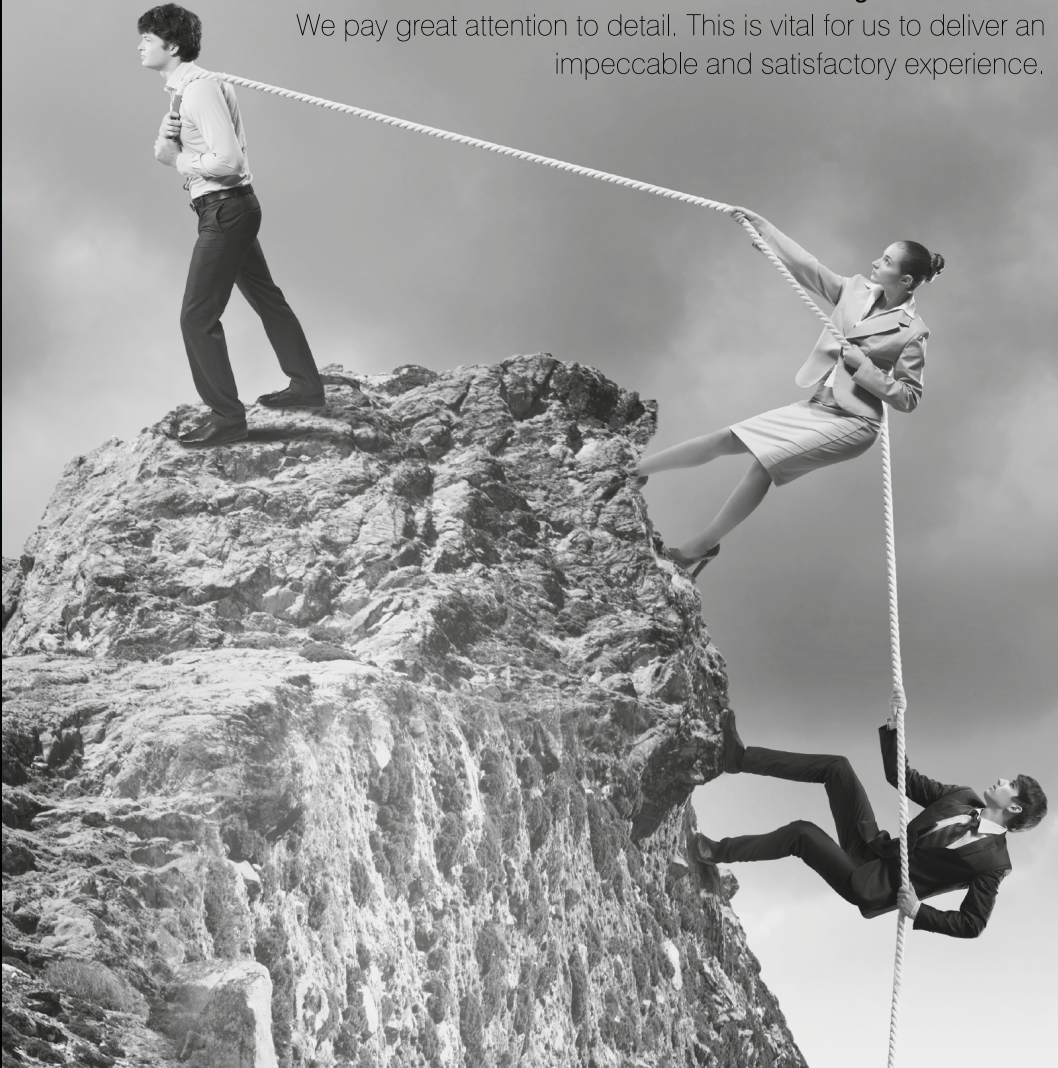

A smart client focused advertising and digital marketing agency in Dubai – serving our clients since 2014. Things makes us different and unique are our working style with the client in supportive manner with delivered value on short timelines. Our graphic designing, digital marketing and execution teams are our strength.

With multiple delivered projects for brands like Fine, Persil, Jovial, Orange reflects our commitment and expertise built over the time.

Our design solutions are creative, innovative and fresh covering full company branding, its online availability, execution in the market. We work hard to make sure the designs we provide distinguishes you from your competition and sets you apart.

*Our designs are flawless*

We pay great attention to detail. This is vital for us to deliver an impeccable and satisfactory experience.

Rays Global provides clients with results-focused, full service advertising solutions. With in-house resources and both online and offline marketing expertise, we are able to deliver creative promotions and advertising services at highly competitive rates. Unlike a traditional advertising agency, Rays Global has the capacity to develop, produce and deploy fully integrated marketing services with both online and offline components.
